Liability for content

The contents of our pages were created with the greatest care. However, we cannot assume any liability for the correctness, completeness and up-to-dateness of the content. As a service provider, we are responsible for our own content on these pages in accordance with general laws pursuant to Section 7 (1) of the German Telemedia Act (TMG).

However, according to §§ 8 to 10 TMG, we are not obliged as a service provider to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information in accordance with general laws remain unaffected by this. However, liability in this regard is only possible from the point in time at which a concrete infringement of the law becomes known.

If we become aware of corresponding infringements, we will remove this content immediately.

Liability for links

Our offer contains links to external websites of third parties, on whose content we have no influence. Therefore, we cannot assume any liability for these external contents. The respective provider or operator of the pages is always responsible for the content of the linked pages. The linked pages were checked for possible legal violations at the time of linking. Illegal contents were not recognisable at the time of linking.

However, permanent monitoring of the content of the linked pages is not reasonable without concrete indications of a legal violation. If we become aware of any infringements of the law, we will remove such links immediately.

Copyright

The content and works created by the site operators on these pages are subject to German copyright law. Duplication, processing, distribution and any kind of exploitation outside the limits of copyright law require the written consent of the respective author or creator.

Downloads and copies of this site are only permitted for private, non-commercial use. Insofar as the content on this site was not created by the operator, the copyrights of third parties are respected. In particular, third-party content is marked as such. Should you nevertheless become aware of a copyright infringement, please inform us accordingly.

If we become aware of any infringements, we will remove such content immediately.

Copyright and trademark law

The author endeavours to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications, to use graphics, sound documents, video sequences and texts created by himself or to use licence-free graphics, sound documents, video sequences and texts.

All brand names and trademarks mentioned on the website and possibly protected by third parties are subject without restriction to the provisions of the applicable trademark law and the ownership rights of the respective registered owners. The mere mention of a trademark does not imply that it is not protected by the rights of third parties!

The copyright for published objects created by the author himself remains solely with the author of the pages. Any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications is not permitted without the author's consent.

The interior and exterior visualisations of the building and the floor plans shown on the website are artistic illustrations that may still be subject to adjustments and changes due to fire protection requirements and other new technical circumstances.

Data Protection

The use of our website is generally possible without providing personal data. Insofar as personal data (e.g. name, address or e-mail addresses) is collected on our pages, this is always done on a voluntary basis as far as possible. This data will not be passed on to third parties without your express consent.

We would like to point out that data transmission on the Internet (e.g. communication by e-mail) can have security gaps. Complete protection of data against access by third parties is not possible.

Unsolicited advertising

The use of contact data published within the scope of the imprint obligation by third parties for the purpose of sending unsolicited advertising and information material is hereby expressly prohibited. The operators of the pages expressly reserve the right to take legal action in the event of the unsolicited sending of advertising information, for example through spam mails.
